

Handbell Musicians of America
Copyright Requirements for Music and Tablet Use at Events

The Guild is committed to upholding the copyright laws of the United States and protecting the rights of our publishers, arrangers, and composers. Each performance folder must have legally purchased copies of the music used at this event.

Photocopied music will not be permitted, except with written authorization from the copyright holder. Your paid registration certifies that you will purchase AND WILL BRING published copies of all copyrighted music used by you and/or your group during the event.

If you wish to use a tablet computer to hold your music in place of standard paper copies on a music stand, you must contact the publisher of each piece of music to first obtain permission to convert a purchased piece of music to the format required for the tablet you are using. Copies of the written permission received from publishers must be presented on request from the event organizer or Handbell Musicians of America staff. Permission from a publisher for one piece does not imply permission for other pieces from the same publisher. The title of each piece used in this format must be included in the written permission received. Attendee should also have legally purchased copies of all music with them for verification.
